Ms. Mercer

We Are Learning About...

Social Studies: Continuing to study Native American communities, presentation from the Mohegan Indian Tribe, and field trip to the Mashantucket Mohegan Museum. We will continue our community walks if weather permits.

Language Arts: Reading relative Native American texts, writing responses to text-dependent questions, journal entries, and writing personal narratives.

Math: Adding, subtracting, multiplying, and dividing decimals. Rounding whole numbers and decimals.

Science: Ecosystems and food webs.

Monthly News

- The November birthday celebration will be November 18th at 11:45 am.
- We will be collecting non-perishable food items per classroom until Nov. 17th. (The class with the most items will receive a pizza party.)
- We are asking for parent participation to attend a Waiting For Superman movie December 3, 2016 at NBFA.
- Picture Day is November 10.
- Class Thanksgiving celebration. A letter will be sent home for item/dishes to be brought in. Parents will be able to attend.
